INDEMNITY: I the undersigned realise that powerboat racing is dangerous. I do not rely on officials or this scrutineering for the safety of the boat or my equipment, and realise this is my responsibility and that safety or other equipment required cannot guarantee me or my boats safety. If I have taken the decision to use a boat fitted with a Reinforced Cockpit or a Deflection Bar or a Belt Restraint or a combination of either or all three I personally have examined these items fitted to the boat and use them totally at my own risk and at my own choice and I realise that these may make the boat more dangerous in certain conditions. I on behalf of myself, and my heirs or any other person, release all persons and organisations connected with the running, supervision or administration of the event from any responsibility whatsoever however caused. I sign this indemnity without duress and in the full knowledge that I may be giving up certain legal rights.
